**BROWNDAL GOLDSPUR 1464101**

Grand champion of the International Stock Show in 1928. Sire of the junior champion bull at that show in 1931. He is the greatest living sire of both bulls and females. Every bull that he has sired that has been put into service has made good. At six years of age he was the top priced bull sold in 1933 and none sold higher by auction until his son, Divide Gold Nugget 1821475, was purchased by Haylands Farm, Springfield, Illinois, at our 1936 auction for \$1700.00. Each year that he lives he becomes more valuable because more people realize his value. In this sale there will be sixteen sons and fifteen daughters of this outstanding sire.

No Bull is Truly Entitled to be Called Great until his sons and daughters have proven their ability as sires and dams. Judged by this standard, Browndale Goldspur must be acknowledged to be one of the greatest sires of all time. His sons are siring first prize gets-of-sire and many other winners. His daughters are producing calves of the highest type.

F. W. Hubbell's great sire, Fascinator, is a son of Browndale Goldspur. He has sired many outstanding winners and his get are largely responsible for Helfred herd's winning more firsts at the International and American Royal Stock Shows in 1937 than any other exhibitor.

Mathers Bros. great herd bull, Goldspur's Baronet by Browndale Goldspur, sired the first prize get-of-sire at the International and American Royal Stock Shows in 1937. Browndale Goldspur himself sired the first prize gets-of-sire at both Ogden and Denver shows this year.

J. Kardel & Son, Walcott, Iowa, consider their herd bull, Divide Lord Goldspur, a son of Browndale Goldspur, to be the best sire they have had in their many years of profitable Shorthorn breeding. Divide Goldpiece, son of Browndale Goldspur that was undefeated as a senior calf in 1936 and winner of the Nelson Trophy, has won a permanent place in our own herd because of the excellence of his offspring.

Bellows Bros., Maryville, Missouri, who have bred an International grand champion and many other famous cattle, assert that Divide Advance

2d, their champion son of Browndale Goldspur, is the best sire they have owned in their more than forty years of constructive breeding.

From Haylands Farm, where the famous Cudham Dreadnaught lived and sired innumerable winners, comes the report that Divide Gold Nugget, their blue ribbon son of Browndale Goldspur, has given them the "Finest lot of youngsters" that have ever been at that celebrated breeding establishment.

W. F. Glenn, Dorchester, Texas, testifies that his bull, Divide Acme, by Browndale Goldspur, sires calves that are "Near perfection." R. H. Luther, Adel, Iowa, is getting splendid calves from Divide Aristocrat, his good son of Browndale Goldspur. Dillard H. Clark, Douglas, Kansas, is more than pleased with the calves by Divide Proud Goldspur, his International and Canadian Royal winning son of Browndale Goldspur.

George W. Retzlaff & Son, Walton, Nebraska, like what they are getting that are sired by Divide Star Goldspur, a good, red roan son of Browndale Goldspur. The University of Minnesota is using two sons of Browndale Goldspur and word comes from that great institution that they are getting excellent results from both bulls. Paul and Griff Johnson, Wilton Jct., Iowa, are using Divide Dale Conqueror, by Browndale Goldspur, with good success in their two good herds.

John P. Impson, Beeville, Texas, and Husted Bros., Truro, Iowa, are others who have found the blood of Browndale Goldspur to be prepotent and to improve the breed and incidentally their herds. In fact, it is conclusively proven and generally acknowledged that Browndale Goldspur's sons are improvers. There is not room to list all of them here but if you want to know how his sons are breeding, take a tip from one of the leading automobile manufacturer's advertising department and, "Ask the man who owns one."

Here in this sale are sixteen of the best sons and fifteen of the best daughters of Browndale Goldspur besides a couple of his calves that sell with their dams. Also, there is a grandson and there are several granddaughters of Browndale Goldspur and a large number of the heifers are in calf to the service of two of his outstanding sons, Divide Achievement and Divide Goldpiece.

If you need a herd bull, assure the success of your breeding operations by getting one of the great bulls that are offered in this sale. If you wish to own more or better females than you now have, you will find them in this sale.

Farmers and commercial cattle breeders Josef Winkler, Carnahan Brothers, Peterson Brothers and many other successful producers of feeder cattle have bought Allen Cattle Company bulls to put at the heads of their herds. Steers sired by these bulls have won in carlot competition and have topped many markets. There are always bulls in Allen Cattle Company sales that sell within the reach of the commercial breeder. Buy a bull in this sale and raise calves that will bring you an extra dollar or two per hundred whether sold as a feeder or finished steer.

Will Johnson of the Shorthorn World.

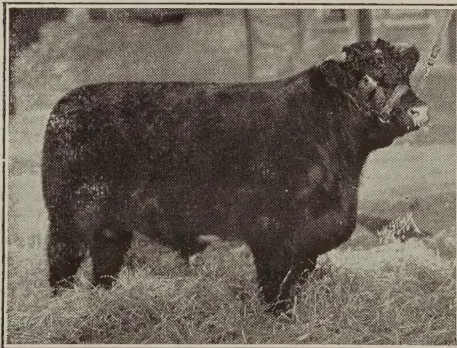

# Browndale Archer 1406824

---

**B**ROWDALE ARCHER was a red bull, bred at Edellyn Farms and sired by that peerless sire Browndale Count. His dam, Poplar Camelia was an imported cow by Stonetown Archer. She was an outstanding individual and partly from her and partly from the dam of Browndale Count, he inherited the ability to stamp his calves with dark roan and red, a characteristic that has added much to their attractiveness.

In "The Story of Browndale Count" Rank Forbes says "Browndale Archer was purchased by The Allen Cattle Company of Colorado for \$1500.00. History reveals few bulls his equal as a consistent sire of uniformly high-class offspring, both male and female. So many of his get have been shown year after year and they have won so consistently in class, groups and championships, that it is not far-fetched to proclaim him premier sire among all the great sons of Browndale Count. Browndale Archer first was sold to go to Argentina but fortunately Wharton Allen bought him and saved this great sire for America."

Most of the cattle in this sale are closely descended from this famous sire. Pictures upon this page and the opposite page show some of his noted offspring that have been produced in the herds of The Allen Cattle Company and are referred to in the following pages. His sons, in our own herd as well as in those of our customers, have proven to be as potent as he was himself. Browndale Goldspur and his sons we find to be the ideal sires to use on the daughters of Browndale Archer.

Here is offered one of the best tried sires in America. A red, junior bull calf by Divide Achievement topped the Shorthorn sale held by the American Shorthorn Breeders' Association in connection with the Stock Show at Ogden in January of this year. Three outstanding heifers and one grand young bull in this sale and many bulls and heifers at the Ranch attest his ability as a sire. Every critic will recognize the value of his pedigree. Divide Gold Badge 1904265

Browndale Goldspur seldom sires white calves but when he does, they are those thick mellow fellows that are a joy to feed and that always prove profitable to their owners. Divide Gold Badge is one of these. He has the hide and flesh that one likes to feel and with it he has short legs, a compact body and a great head. Remember, white bulls have made greater improvement than those of any other color so buy this fellow and improve your herd and the breed.

Divide Gold Knot is deep, thick and smooth. He is full in his quarters, has a pleasing head and all these, with his rich red roan color, make him a desirable herd bull prospect. His pedigree will bear the strictest examination. Browndale Goldspur needs no explanation. Proud Thought 2d was full of Avondale blood through the sire of Second Thought that was Double Dale and the sire of Browndale Maid 7th that was the famous Browndale. Assuredly this bull is bred to be prepotent.

Divide Javelin 1902545

As a senior calf, Divide Javelin won fourth at the International and second at Ogden and Denver. Because of his great character he was a general favorite for still higher honors at all of those shows. He has everything that is desirable in a herd bull and if fitted again for next season, he will be an easy winner of his class, as he improves every day. Study this picture and his pedigree. Then come to the sale and see the calf. The more you see him, the better you will like him. He is as near perfect as they grow.

❧

This is one of the best that we have to offer. He is from our best family, the one that produced the 1936 Nelson Trophy winner, Divide Goldpiece; the 1929 Nelson Trophy winner and International junior champion, Divide Typedale; the \$1550.00 Congress champion, Divide Patdale and the twice International champion female, Divide Impatience 2d. He was a winning show bull this year and we are fitting his full sister for next season's shows. This bull cannot help becoming a prepotent sire.

Divide Belle Archer 11th 1856422

Divide Belle Archer 11th 1856422 is a truly great heifer. With her character, type, quality and color if she doesn't become a famous breeding matron, it will be impossible to foretell one that will. She is safely settled in calf to the service of Divide Goldpiece, a bull that in 1936 won first prize in a class of twenty-one senior bull calves at The International and the Nelson Trophy at the American Royal. This mating should produce the best.

Divide Orange Blossom 12th goes into the sale with a most enviable show record. In 1937 she won first prize at the Canadian Royal Show at Toronto and second at the International at Chicago. In 1938 she won first at Denver and Ogden. As a calf in 1936 she won second at the International. She has not been bred and will make an almost sure first prize two-year-old for next season's shows. By breeding her after the sale she will be at twelve o'clock for the next fall and winter shows. And where is there a better heifer to put into a breeding herd. She is ideal in type and is thickly covered with even, smooth, mellow flesh.

Divide Fanciful 11th 1895187

Divide Fanciful 11th 1895-187 was a member of our show herd this last season and always stood close to the top. She is a great heifer for foundation purposes, as every bull in her pedigree and most of the dams have been noted animals. She was bred October 5 to Divide Goldpiece, our junior herd bull that in 1936 won first prize in a class of twenty-one at the International Stock Show and the Nelson Trophy for best calf in the show at the American Royal. You will get two valuable animals if you buy this heifer.

Divide Fanciful 3d 1895186, though young for her class, won fourth prize as a senior calf at the 1937 International Stock Show, beating twenty calves. She is developing nicely and will make a winning senior yearling if carried on for that purpose in 1938. She is of the best of breeding and will make a fine foundation matron for a good herd. Note the bulls in this pedigree. This combination of correct type and character with breeding and quality is seldom equaled.

Divide Starlight 32d 1904281

Divide Starlight 32d 1904-281 is an open heifer that is an excellent prospect for a junior yearling show heifer this year. She comes from a great breeding family that produced the junior champion, Divide Starlight 11th; our great herd bull, Divide Stardale, that was unbeaten as a junior yearling in 1930. Other first prize winners from this herd were Divide Starlight 12th, a senior champion; Divide Starlight 13th and Divide Starlight 14th. In fact every one of this family in our herd has been a top show and breeding animal.

All of these and other noted members of this family were bred by us and are closely related to this heifer. She is a worthy scion of the family.

She was bred August 5, 1937 to Divide Viking, sire of Divide Starlight 13th (see lot 31) and full brother to the noted Tomson herd bull, Proud Archer. You may expect a good one from this mating.

*\$2250 Otto J. Hanson & Sons*

When have you seen a more attractive heifer than Divide Verbena 3d. She will sell open to give you a chance to get her first calf by your own herd bull. If you wish to show her, she can be bred soon after the sale and still be just right for the 1938 season where she is sure to win. It is this thick, deep, low-set, blocky type with pleasing head on short neck that blends into smooth shoulders and wide back with full, deep hind quarters, that distinguishes the sons and daughters of Browndale Goldspur and make him the outstanding sire of the present day and generation.

**Divide Misty 21st 1904279**—Is another good daughter of Divide Achievement. Last year we sold a white son of her dam to go to the Argentine at \$400.00. You will like this good, red heifer.

We do not like to part with heifers like this one but we want you to see how Divide Achievement is breeding so here she goes. She was a little young to put into last season's shows so we kept her home but she will make a great junior yearling for 1938. A bull of her family topped our sale in 1937. Divide Belle Archer 11th (Lot 18 in this catalog) is also a member of this family. You may not wish to show this heifer but you will always have the satisfaction of knowing that she could have won if shown. Remember that you have the opportunity of buying her sire, Divide Achievement (Lot 1 in this catalog).

Divide Lady Gloster 1904278

Divide Lady Gloster is as attractive a heifer as will be sold in 1938. She has all of the characteristics as well as the breeding to make a grand matron. The more one knows about the Shorthorns of the past twenty years, the better he will like this breeding. Note those six top sires in particular, every one famous. In our 1936 sale, a full brother of this heifer, Divide Master, a winner at Chicago and Toronto, was sold to the University of Minnesota for \$450.00 and he has been used successfully by that institution ever since. This heifer is no accident. She is a good one by inheritance.
